## Why Scrum@Scale?

Scrum@Scale is not a cookie cutter, one-size fits all solution that your organization is force fit into. It is an adaptable framework that allows systems and processes to grow organically based on the unique conditions your organization has and the unique challenges it faces. Scrum@Scale provides the structure, your teams provide the context, together they make way for collaboration, innovation and acceleration across any sized organization or initiative.

# Course Wrap-Up & Retro

## 課程總結 & 回顧

---

As a class, we need a Course Retrospective,  
so that we can wrap up the course effectively

做為一個班級，我們要做課程回顧，  
所以我們才能有效地總結課程
